

Cobblestones and Belgium Block

Product and Description

Description

Belgium Block and cobblestones are shaped granite that come in a variety of colors and sizes. All stones are available in grey granite. Some sizes are also available in black, pink, buff and yellow. Used Belgium Block and cobblestones are options but are subject to availability. Belgium Block and cobblestones are perfect for edging driveways, garden beds and tree wells, and as a paving material for driveway aprons, courtyards and walkways.
